CHAPTER RAFFLE: Contact Charlie Hanko at 202-439-2816 to obtain raffle tickets for yourself and to sell for the chapter. Please support this fundraiser.

FISHING FAIR: On March 26 & 27 the chapter will again be sponsoring the annual Solomons Fishing Fair. Your support is needed in many ways to make this major chapter fundraiser a success. Your help is needed in the kitchen, taking admissions at the gate, at the membership and raffle tables, and to help with set-up on Friday, March 25. Most of all we need you to attend and support the vendors at the fair. Call Tom Kemp at 301-373-3071 to sign-up to work or for further information.

2011 YOUTH ACTIVITIES: Above is a list of this summer's chapter sponsored youth activities. This year will support a **Fishing Rodeo** with DNR at St. Mary's Lake State Park. We expect about 75 children to attend this event on the morning of Saturday, May 14. The help of many members will be needed. Please contact Russ Millar at 240-298-2013 to volunteer.

HOOKED ON FISHING: This year will be Friday, July 22 at Point Lookout State Park. The chapter will be hosting about 200 children. We estimate that we will need about 30 volunteers to complete all the tasks. Call Tom Kemp at 301-373-3071 if you can help.

BOAT FISHING: Above are listed three boat fishing events at Greenwell State Park. Between 4 and 6 boats will be needed each day. Sign up at the chapter meetings.

CHAPTER FISHING ACTIVITIES:

ANGLER OF THE YEAR: For 2011 the Chapter's Angler of the Year contest has been refined to give more participants the opportunity to win. We will again have an overall winner, awards for the largest fish caught of various species, and an award for the angler who earns the most points in each quarter. This year there will also be awards for the anglers who come in second and third in overall points for the duration of the contest.

The entry fee for Angler of the Year remains \$10.

CITATION ROCKFISH CONTEST: From the start of the 2011 Rockfish season through May XX, there will be three prizes for the three largest citation rockfish checked in at a DNR check-in station. You must submit your entry on a state citation form and attach a picture. The fee for the contest is \$20.

Contact Gary Hennig at 804-241-5360 to enter either of these contests.
